

OUR MISSION

Our mission is for OCA to empower individuals with autism or special needs, and their families, to fully engage and thrive in the community. We live this mission everyday through our core values: Teamwork, Respect, Innovation, and Passion

OUR PROGRAMS

OCA serves individuals through therapy services, early intervention, adult vocational training, and recreation.

We offer certification courses through First Flight Academy and recreational programs like holiday camps and summer camps, as well as theatre through our Running Man Theatre Program.

WHO DO WE SERVE?

We serve individuals with autism and other disabilities from ages 18 months and up.

We serve 250 families a year.
