**GENERAL EXPECTATIONS OF BOARD MEMBERS**

**General:** As a board member, you are considered to be a leader in the financial aid profession and as a leader, are expected to set an example for all members of the Association and for external constituencies.

Each board member is responsible for obtaining pertinent information or files, which his or her predecessor may have accumulated that would be of assistance in performing the duties of the position.

**Meetings:** Please make every effort to attend all board meetings and stay through the end of the meeting. All eligible expenses related to attendance at a board meeting will be paid by FASFAA, with the exception of travel expenses when a board meeting is held in conjunction with another FASFAA workshop or conference. In the event that you cannot attend, please contact the president as soon as you know, so that your hotel room can be canceled and the agenda can be adjusted, if necessary. While you are free to ask someone else to attend the meeting in your absence, you cannot turn your vote over to someone else.

To keep travel expenses for the board as reasonable as possible, all rooms will be booked as double rooms, sharing with another board member. If you elect to take a single room, FASFAA will not reimburse you for the additional expense.

**Reports:** All reports to the board should be in written form. Please email the board copies of your report prior to each board meeting.

All reports should be in two sections: report of activities/information items and action items. In order to complete the agenda within one day, only action items will be brought to the table for discussion, unless a board member has questions or requests discussion about the items in the information section. Board members are expected to attend the entire meeting and participate fully in the discussion of any topics brought before the board for discussion.

For the first board meeting, all individuals should be prepared to speak, whether or not there are any action items. You should outline your objectives and seek input for the board for other ideas and suggestions for reaching the goals outlined during the retreat.

**Newsletters:** All board members and committee chair are expected to provide an article for each newsletter concerning his or her area of responsibility. You may also provide any additional article you would like to submit.

**Legislation:** All board members should be actively involved in responding to all pertinent state and federal legislation and regulations that arise during the year. This is a responsibility of all FASFAA board members, not just the federal and state relations committees.

Committee  
Makeup:

Within certain limitations, you are free to select the members of your committees. Every effort should be made to ensure that you have representation from all relevant sectors, that you have statewide representation, if appropriate, and that you include members with diverse ethnic and cultural backgrounds. Make every effort to include members who have volunteered to serve. These are people that want to get involved, and we should make use of their interest and enthusiasm. We owe it to the Association to give new people a chance to show what they can do. Please involve them.

Committee members should serve on only one committee, so that we can involve as many members as possible. This will not always be possible, as some committees will have an overlap of responsibilities.

Policies and  
Procedures:

As a board member or committee chair, you are responsible for adhering to and updating your section of the policy and procedure manual. If you have any suggested changes, please bring them before the board and implement them.

**Bonnie Long Pirkle**

May 31, 1941 – August 31, 1994

Bonnie grew up in South Carolina and Georgia in a very close-knit family. Each summer the entire family would gather for a week together at the beach in South Carolina, a tradition which began in Bonnie's childhood and continues on. It was one of her favorite places to be.

She began her professional career after she had already had her two children. Bonnie's life in financial aid began when she accepted a position at Hall School of Nursing in Gainesville, Georgia in 1970. There she rose from the Nursing Department's secretary to Director of Student Services. During that time she mastered both financial aid as well as admissions and traveled throughout the area recruiting students. She was instrumental in helping obtain federal eligibility in anticipation of the merger with Brenau College in 1978 and became the new institution's Director of Financial Aid. She earned her baccalaureate degree there while working full-time. A special place in her heart was always reserved for nursing students because of her experience at Brenau College/Hall School of Nursing.

Bonnie came to Florida in 1980 upon accepting a position at Daytona Beach Community College, where she was Assistant Director until 1984. She then moved on to Director of Financial Aid positions at Central Florida Community College until 1987 and at Seminole Community College until 1992.

It was in 1992 that she accepted the position of Marketing Manager for Chase Education Finance Center. In that position she was responsible for serving schools in four states in the southeast. As a traveling representative, she was able to use her best talents and was able to make friends in financial aid offices throughout the southeast.

Throughout her career Bonnie made time for additional professional activities. Her two favorite activities were coordinating training activities and planning financial aid conferences. She served FASFAA in these capacities as well as in many other roles over the years. In addition, she was active in the Florida Association of Community Colleges (and served as its Financial Aid Commission Chair in 1992); the Florida Council of Student Financial Aid Advisors; Southern and National Associations of Student Financial Aid Administrators (SASFAA and NASFAA); and conducted program reviews of federal nursing loan programs for the Department of Health and Human Services.

Bonnie was known as a hard-working professional who could always be counted on; as someone who was knowledgeable about any financial aid topic; as someone who truly cared about students and her colleagues; as someone who could never say "no" to a request from anyone who needed her help.

Many adjectives come to mind when describing Bonnie as a person – vivacious, perky, bubbly, caring, thoughtful, fun-loving, warm, welcoming, smiling – but perhaps the one which best describes her is special. To those who came into contact with her, she was special in every way and she made everyone around her feel special too. Bonnie is well-remembered at FASFAA conferences for making every event more fun; for making new people feel welcome and comfortable; for extending herself even at the expense of her own well-being; for her love of dancing; and her role in arranging the most enjoyable social events at conferences.

Her life was too short. She became ill while traveling to the NASFAA annual conference in 1994 and within seven weeks she was gone from the lives of all who knew her. Although her illness was sudden, those few weeks enabled her friends and colleagues to express to her how much she had meant to them. She received literally hundreds of cards, letters, and gifts from her financial aid "family." Colleagues from several states traveled to South Carolina for a memorial service in her honor. She had touched the lives of so many individuals who felt her loss so greatly and there was a tremendous outpouring of sympathy.

Because of her extensive role in education, many of her friends and colleagues wanted to remember her through a scholarship program. Many donations were made to a scholarship program, which benefits Brenau College nursing students. In fact, the Vice President who acknowledged the gifts noted that in twenty years he had never seen such an outpouring of memorial gifts in one person's honor. FASFAA also wanted to honor Bonnie in some way because of her outstanding contribution to the association and to students. The establishment of the Bonnie L. Pirkle Memorial Scholarship Program was met with a standing ovation from members that Bonnie's memory will be kept alive by helping deserving students.

Bonnie Pirkle left behind her parents, Laurie and Jesse Long, her siblings Linda and Steve, and her children, Chris and Robert and their families, and a host of friends who considered themselves her extended family. She touched the lives of everyone who knew and loved her – from students who benefited from her personal attention and wisdom; to colleagues she welcomed to association activities; to today's financial aid leaders she taught at workshops; to friends who enjoyed being with her. Bonnie's spirit resides in every FASFAA member whose life she touched.

### **Bonnie L. Pirkle Memorial Scholarship Mission Statement**

The Florida Association of Student Financial Aid Administrators as a commitment to provide, from its own resources, financial assistance to enable deserving students to benefit from higher education, established the Bonnie L. Pirkle Memorial Scholarship. The scholarship was also created as a means of recognizing the FASFAA President's institution for his or her service to the association. The scholarship was named in honor of Bonnie L. Pirkle, a long-time FASFAA member who exemplified the highest personal and professional qualities and who embodied the spirit of camaraderie of financial aid administrators in Florida. As a memorial fund, the scholarship also honors assistance and thereby fulfill their educational goals. FASFAA hopes that the awarding of this scholarship will also increase the visibility and enhance the image of financial aid administrators in the State of Florida.

[GREETING]

As Immediate Past President of the Florida Association of Student Financial Aid Administrators ([FASFAA](#)), it is my pleasure to inform you that the [Bonnie L. Pirkle Memorial Scholarship](#) will be awarded to **[STUDENT NAME]**, a very deserving student who is attending [INSTITUTION].

FASFAA is a professional organization of approximately 900 financial aid administrators from colleges and universities, as well as associate members from the community who participate in the financial aid throughout the state of Florida. This scholarship is funded solely by members of this organization, and honors the late Bonnie L. Pirkle, a long time FASFAA member, who exemplified the highest professional and personal standards of a financial aid administrator.

The Bonnie L. Pirkle Memorial Scholarship also honors your own [FASFAA ELECTED OFFICER, INSITUTION TITLE] who serves on as an elected officer our current FASFAA Executive Board. This gift is intended as an expression of appreciation by the membership to both [FASFAA ELECTED OFFICER NAME] for HIS/HER outstanding contributions of time, talent and energy to the organization this year, and to [INSTITUTION NAME].

The membership wishes to thank [INSTITUTION NAME] for its contribution to the financial aid profession by supporting [FASFAA ELECTED OFFICER NAME] in fulfilling HIS/HER responsibilities as [ELECTED OFFICER ROLE]. Without that vital endorsement, the successes we have experienced this year would not have been possible.

A check for [DOLLAR AMOUNT], made co-payable to [INSTITUTION NAME] and **[STUDENT NAME]** will be forwarded to your business office after July 1, but no earlier than thirty days prior to the beginning of your fall term. [FASFAA IMMEDIATE PAST PRESIDENT] will notify the FASFAA Treasurer of the date the check is to be drawn. Once again, on behalf of the **Florida Association of Student Financial Aid Administrators**, thank you for your continued support.

Sincerely,

[NAME]
