Discussion Summary

The Executive Board reviewed the proposed contract for the New and Intermediate Aid Workshop.

The Executive Board reviewed the proposed contract for the New and Intermediate Aid Workshop.

A question was raised regarding the event space dates listed in the contract, which showed meeting space scheduled for March 12 and March 13. Clarification was provided confirming that the workshop would take place March 11–13, 2026, with the Board meeting occurring on March 12 and March 13.

It was confirmed that there were no changes required to the contract details. If necessary, meeting space adjustments could be handled through a simple amendment with the hotel rather than issuing a new contract.

After confirming quorum and allowing time for discussion, the President called for a vote.
